Dear Parents,

Summer Vacation is probably the best time of the year for you all; it's time for loads of ice cream, time to stay at home and have a good time with your loved ones and getting pampered to no end and of course bonding with cousins virtually. School is fun too, with learning happening always, summer vacation can also be a time for learning with lots of activities around.

Some Tips to make this holiday special:

- Have a family dinner every day of the holidays.
- Play board games with your parents and siblings and show them who is the smartest.
- Be independent and learn to do some works on your own.
- Spend some quality time with an elderly person in the family.
- Connect with all your cousins and friends virtually.
